

A vibrant Halloween-themed poster for a disco event. At the top center is a large, glowing jack-o'-lantern with a classic triangular-eyed, jagged-mouthed face. Several small black bats are scattered around it. Below the jack-o'-lantern, the words 'HALLOWEEN DISCO' are written in large, bold, orange capital letters. In the foreground, two characters are DJing on a black turntable. On the left is a yellow banana character wearing a black witch's hat with a yellow star, black sunglasses, and large black headphones. It holds a martini glass with a red drink and a blue straw. On the right is a smaller jack-o'-lantern character with a smiling face, also wearing large black headphones. Both characters have skeletal hands. The background is a dark purple with faint, radiating lines.
